

“Husbands, Listen Up!”

Sermon Notes (1 Pet 3:7)

11/16/08

Will we trust the Lord’s instruction for *eternal* life, but disregard or reject His instruction for *married* life? 1 Pet 3:7 is our Christian duty! May God give us determination!

“In the same way” – in *what* same way?

The context (2:13; 18; 21; 23-24) shows this instruction is based on how J_____ C_____ has given His life for us!

1. “Live with your wife according to knowledge...”

Why? How?

Note: *Knowing her body does not equate to knowing her h_____ and s_____!* How will *you* gain knowledge of *your* wife?

2. “Show honor to your wife” – Why? How much?

Is the value dependent upon anything she does, or how you feel? N__! She is worth *so much*, Jesus gave *His life* for her! How will *you* show *your* wife honor?

Disobedience results in our *power source* h_____!

Everything you have or strive for on earth will be of little consequence when your relationship to Christ is hindered.

Husbands, listen up! Never underestimate the importance God has placed on how we men care for and minister to our w_____!
